

Citations to flagged and comparison papers, 2009-2025

OpenAlex articles and reviews; the same 153 papers in every year

—●— Comparison (77 papers) —●— Flagged (76 papers)

Vertical line: publication of the critique in August 2011. Raw annual means and medians.
Duplicate records and citations dated before the original paper are excluded.
Papers appeared in 2009-2010, so early counts include partial publication years.
Descriptive citation paths; differences between the lines are not treatment effects.
